

Final Copy
Torrance County Board of Commissioners
Commission Meeting
July 22, 2015

Commissioners Present: **LeRoy Candelaria -Chair**
 Julia DuCharme-Member
 James Frost-Member

Others Present: **Annette Ortiz- Deputy County Manager**
 Michelle Jones -Clerical

Call Meeting to Order:

Chairman Candelaria calls the meeting to order at 9:00 am; he welcomes all those present to the meeting and leads us in the pledge. Commissioner Frost gives the invocation.

Approval of the Meeting Minutes:

Chairman Candelaria asks for a motion to approve the July 8, 2015 Regular Meeting Minutes. **ACTION TAKEN:** Madam Commissioner DuCharme makes a motion to approve the July 8, 2015 Regular Meeting Minutes. Commissioner Frost seconds the motion. No further discussion. The Commissioners vote; all in favor. **MOTION CARRIED.**

Approval of the Meeting Minutes:

Chairman Candelaria asks for a motion to approve the July 13, 2015 Special Meeting Minutes. **ACTION TAKEN:** Commissioner Frost makes a motion to approve the July 13, 2015 Special Meeting Minutes. Madam Commissioner DuCharme seconds the motion. No further discussion. The Commissioners vote; all in favor. **MOTION CARRIED.**

Approval of the Meeting Agenda:

Chairman Candelaria asks for a motion to approve today's Meeting Agenda. **ACTION TAKEN:** Commissioner Frost makes a motion to approve today's Commission Meeting Agenda. Madam Commissioner DuCharme seconds the motion. The Commissioners vote; all in favor, none opposed. **MOTION CARRIED.**

Approval of the Consent Agenda:

Chairman Candelaria asks for a motion to approve the Consent Agenda: Approval of Checks and Approval of Indigent Claims. **ACTION TAKEN:** Madam Commissioner DuCharme makes a motion to approve the Consent Agenda. Commissioner Frost seconds the motion. Madam Commissioner DuCharme asks if there are any indigent claims. There is one indigent claim in the amount of \$1,450.00. No further discussion. The Commissioners vote; all in favor. **MOTION CARRIED.**

Action Items

Items to Be Considered and Acted Upon

***Department Requests/Reports:**

1. Updates:

Nick Sedillo, Risk Manager, speaks. This weekend Mr. Sedillo came in to install some computers in the County Clerk's office. Everything went fine, but Mr. Sedillo discovered even more examples of how stressed the building is; mechanically, electronically, network-wise, etc. Cosmetically the building looks good, but as time goes by and the needs of the County increase, the building becomes more and more inadequate.

Back in 2008-2009, Madam Commissioner Chavez-Gutierrez envisioned a new administrative building for the County. At that time, she asked Mr. Sedillo to Chair a Committee comprised of Elected Officials and Department Heads. For that first full year, the Committee sought out land where this building would be erected. By statute, the building had to be located within the City limits of the County Seat. The Committee located 25 acres at a very good price. Commissioner Frost,

Commissioner Chavez, and Madam Commissioner Chavez-Gutierrez approved the purchase and it was finalized in 2010. Mr. Sedillo encouraged the Commission to tour the building with him to see, first-hand, the stresses he is speaking about today.

Mr. Sedillo tells the Commission that the next step is to hire an Architect who can come out here and discuss our needs and come up with a realistic estimate of what it would cost to build a new Torrance County Administrative Building. If we knew what a new building that would service our needs would cost, the Commission could make an informed decision about how they would want to proceed; whether to move forward with a new building or continue to repair our current one.

Mr. Sedillo also comments that if we did move to a new building, we could repurpose our current building; it could possibly be used as a storage facility.

Ms. Janice Barela, County Treasurer, comments that our current G.O. Bond obligation is about to be fulfilled; our last payment is set for August 2016. This current Bond is paying off the Judicial Complex. Perhaps it could be continued or renewed to fund a new Administrative Building. We would have to hire Bond Counsel to assist us if the Commission chose to pursue this idea.

Ben Daugherty, Emergency Dispatch, speaks. The installation of their new phone system is almost complete. The Commission is invited to come to Dispatch to check it out. Mr. Daugherty also informs the Commission that sometime last week the tower that we were leasing space on at Gallinas Peak collapsed. This leaves a huge communications gap for Emergency Services. The Forest Service has requested that this tower be removed and not rebuilt. Dispatch is currently in the process of trying to find a new tower/company to lease space from. This is going to require an unexpected fund expense to move their equipment to a new tower. Mr. Daugherty does not yet have an estimate of what the cost will be. This is a vital communications link that must be repaired soon.

Steve Guetschow, Planning and Zoning, speaks. Last Friday, he attended a meeting of the EMWT. He presents the Commission with the Power Point presentation from that meeting. Several representatives from the State and Local level were in attendance. Mr. Mike Anaya gave a very good presentation about the history of EMW Gas and Mr. Art Swenka gave an equally informative presentation about EMWT; its background and purpose. EMWT wants the public to know that they hold their meetings on the 4th Tuesday of every month at the EMW Gas building and all interested citizens are invited to attend. For additional information, please feel free to contact:

Art Swenka- EMWT Regional Water Association – (505) 384-2369

Ronnie Reynolds- EMW Gas Association, Inc. - (505) 384-2369
Donzil Q. Worthington- Forsgren Associates, Inc. work: (505) 814-2796,
Cell: (505) 274-1111
Steven Ross- Law &Resources Planning Associates (505) 346-0997

Mr. Guetschow now presents the Commission with a small photographic report/update on the PG Enterprises, LLC project. The Commission recently approved their application for a Special Use change in zoning to allow PG Enterprises, LLC to operate a rock, sand, and aggregate mining operation. The Commission had approved the application with certain stipulations. The report contains pictures showing compliance with several of those stipulations.

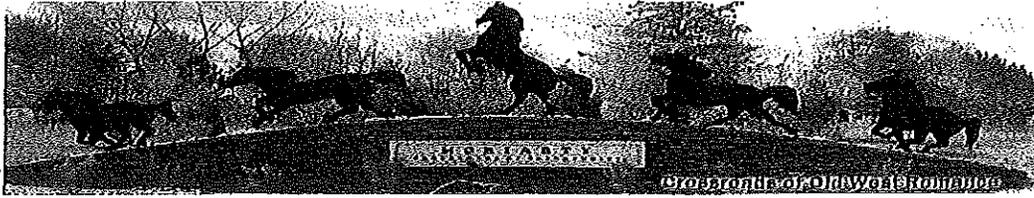

(Both the power point presentation and the photographic report are included in the file for this meeting).

Tracey Master, DWI Coordinator, gives a brief update from her Department. The Juvenile Adjudication Fund Grant Agreement will be presented today to the Commission for approval. The CDWI Application will be presented at the next Commission meeting. Ms. Master has completed all of her reporting for FY2015 for the LDWI grant and distribution.

The First Annual Stars and Stripes Family Ball was held on July 3rd at Moriarty's Crosley Park. She does not have a definite number on how many people attended, but 165 people participated in the voluntary breath test and she estimates that well over 200 people attended. Her department also participated in Moriarty's 4th of July parade. The Smart Choice Van was there advertising the designated driving program. Convicted DWI offenders also attended, walked in the parade, and distributed information about the Smart Choice Program.

Yesterday, the Teen Court Coordinator/Prevention Specialist presented prevention information to the participants of the Junior Deputy Program.

Pastor Bob Ludwig, resident, speaks. He presents the following update about The Moving Wall, the traveling half-size replica of the Vietnam Veterans Memorial, to the Commission and the public:

PRESENTS

OCTOBER 20-24, 2016

We are still asking for your support as we continue to get ready to bring The Wall into the Estancia Valley for our whole community. Dates have been set as October 20-24, 2016. In addition to cash (about \$2000) and a hotel room for 6 (six) nights for the volunteers who bring us The Wall, we will need community volunteers to help when it arrives – some to help set up/down and others to help our visitors as they experience The Wall (remember, the Wall will be open 24 hours a day while it is here). Advertising so that the whole Valley is aware, will take a bit to accomplish too, so we will need some major assistance in that area. In addition, we will need cases of water, tissues, crayons and reams of paper so that we can have programs and rubbing sheets made up. We will also need lumber (2X4's) and screws/nails to build the platform to support The Wall. We would like to be able to provide food for our Volunteers as well while they are helping our visitors.

For more information, please contact Pastor Bob Ludwig of Sunsetministries, at (505) 803-9657.

You can mail checks payable to: Estancia Valley Moving Wall. Mail in care of the Ludwig's, PO Box 502, Moriarty, NM 87035-0502. Tax information for 501C3 deductions is available. Thank you, and God Bless!

Pastor Ludwig informs the Commission that the contract to secure the date of October 20-24, 2016 was signed on Monday. They paid \$2,500.00 to secure this date. An additional \$2,500.00 will be due when The Wall arrives here. They have raised \$2,300.00 to date; more is needed. The Wall will be displayed at the

Moriarty City Park. Pastor Ludwig sincerely thanked for all his time, attention, and tireless work towards bringing this incredible memorial to the Estancia Valley.

Commissioner Frost speaks. He thanks all gave updates this morning; it was all very informative.

Madam Commissioner DuCharme speaks. A Special Meeting was held on July 13th to discuss the proposed Road Policy. It went very well and she wants to sincerely thank Ms. Annette Ortiz for reading the proposed policy during the meeting. Madam Commission DuCharme also states that at the last Commission meeting, she was told that some of the County employees feel left out by her comments; that she pays a lot of attention to the Sheriff's Department and to the Fire Department and not to other departments. She states that she does not value one department over another; she just sees an immediate problem and a need for urgency to solve that problem. That is why she is trying to bring attention to these departments. If anyone feels left behind or has other feelings or concerns, they are asked to please let her know.

There will be another Special Meeting on July 29th @ 9:00 am. The agenda items are as follows:

***Public Hearing**

1. Appeal of Planning & Zoning Director's interpretation of the Torrance County Zoning Ordinance; Filipi, et al.

*2:30 P.M. 209 County Road A049 Estancia NM 87016

2. Board of Commissioners' 2015 Statutory Inspection of the Torrance County Detention Facility, Corrections Corporation of America

***Adjourn**

Chairman Candelaria speaks. He asks the residents of Torrance County to try to be patient with our Road Department. We have had extreme rain conditions this year and many of our roads and culverts have been washed out. The Road Department has a schedule, but extreme weather can change it completely. They are doing their best. If you have a road that is impassable, call the Road Department. If you have a road that is still passable, try to be patient.

2. Juvenile Adjudication Fund Grant Project No. 16-J-31- Tracey Master, DWI Prevention Coordinator Ms. Master speaks. She is presenting Juvenile Adjudication Fund Grant Agreement for Project 16-J-31 for approval. The Grant is in the amount of \$5,263.00. The Commission approved the application for this grant a few months ago. This funding will allow the County to pay for substance abuse treatment for individuals who are referred for treatment from the Teen Court Program. This funding will also enable the County to establish a driver improvement school for these same individuals. All documentation hereto attached. **ACTION TAKEN:** Madam Commissioner DuCharme makes a motion to approve Juvenile Adjudication Fund Grant Project No. 16-J-31. Commissioner Frost seconds the motion. No further discussion. The Commissioners vote; All in favor, none opposed. **MOTION CARRIED.**

3. Resolution 2015-031 Adoption of 2015-2016 Budget- Tracey Sedillo, Comptroller Ms. Sedillo speaks. She presents the Commission with a Budget Packet for the 2015-2016 Budget. Included in the packet is an FY16 Budget Summary which Ms. Sedillo reviews for the Commission:

FY16 Budget Summary

The attached recap has all the current fund balances for the FY16 Operating Budget. There a few departments that still want to move money within their budgeted line items so I didn't print out the entire budget because I thought that would be wasteful. Below is what was able to be funded with the budget recap you have attached:

Assessor's Office	Money was allocated for a Land Appraiser in fund 401.
Clerk's Office	Money was allocated for the air conditioning system for the voting machine building through the legislative appropriations in fund 803.
Manager's Office	Money was earmarked for a financial consultant, an insurance broker, and possible insurance buyout in fund 641. There was also money set aside in the Commission budget in the capital outlay line items in case additional funds are needed for the re-structure of the Finance, Purchasing and Manager's office staff.
Purchasing Dept.	Included in the Manager's request
Road Department	Money was allocated for the Loader and Backhoe leases in Fund 641. Money was allocated for Heritage Road in Fund 621.
Sheriff's Department	Money was allocated for 2 new Sheriff's Deputies in Fund 401. Money was allocated to buy and equip 2 new vehicles for these deputies in Fund 620.

I will have the full bound budgets for you at the meeting but the fund totals should not change.
If there is a need for a change that will affect the fund balances, I will inform you at the meeting.

Thank you for your input into this budget!

Tracy Sedillo
Comptroller

Also included in the packet: the complete copy of the Torrance County 2015-2016 Operating Budget Recapitulation and the Torrance County 2016 Operating Budget. All documentation hereto attached. **ACTION TAKEN:** Commissioner Frost makes a motion to approve Resolution 2015-031 Adoption of 2015-2016 Budget. Chairman Candelaria seconds the motion. Ms. Sedillo points out that, included in the copy of the operating budget, is the Bond Schedule which shows all the bond payments and the last payment which will be due August 1, 2016. Madam Commissioner DuCharme asks if this is the same budget that was submitted to the State. Ms. Sedillo clarifies that this budget has not yet been submitted. Madam Commissioner DuCharme states that the last time when they voted on the Interim Budget she opposed the raise in salary for the Fire Marshall, whom she states received a raise twice. She comments that the raise is still here in the budget. Ms. Sedillo replies that it was a 2-1 vote to approve the Interim Budget. The raise was in the budget at the time of the vote so it stays in. Madam Commissioner DuCharme asks if she opposes this item, (the raise), but supports everything else, how should she vote? Ms. Sedillo replies that she can't answer that question. Commissioner Frost comments that he sees that in the budget money was allocated for 2 new Sheriff's Deputies. Ms. Sedillo replies that instead of funding a deputy and a vehicle from the General Fund, she and Ms. Ansley discussed funding 2 new deputies out of the General Fund and 2 new deputy vehicles from Fund 620, the County Infrastructure Fund. No further discussion. The Commissioners vote; All in favor, none opposed. **MOTION CARRIED.**

Madam Commissioner DuCharme states that she will support the budget, but not the line item that gives the raise to the Fire Marshall.

4. Resolution 2015-032 Fourth Quarter Report Approval- Tracy Sedillo, Comptroller Ms. Sedillo speaks. This resolution is to approve our Fourth Quarterly Report for Fiscal Year 2014-2015. It is a requirement of DFA that this fourth report be approved by the Commission by resolution. All documentation hereto attached. **ACTION TAKEN:** Commissioner Frost makes a motion to approve Resolution 2015-032 Fourth Quarter Report Approval. Chairman Candelaria seconds the motion. Madam Commissioner DuCharme asks Ms. Sedillo if we do this every quarter. Ms. Sedillo replies that yes, we submit a report to DFA every quarter. The fourth quarter report is approved by the Commission because this fiscal year end report encompasses and summarizes the activity of the entire fiscal year. No further discussion. The Commissioners vote; All in favor, none opposed. **MOTION CARRIED.**

5. Memorandum of Understanding between Torrance County and Claunch-Pinto Soil & Water Conservation District- Javier Sanchez, Emergency Manager Mr. Sanchez speaks. This MOU corresponds with the Community Wildfire Prevention Plan Revision Sub-Grant Agreement that we have accepted. This MOU was drawn up by our County Attorney and reviewed by Mr. Sanchez and the Soil & Water Conservation District and basically allows the merger of funds between the County and the Claunch-Pinto Soil & Water Conservation District. These funds will go towards the updating of the CWPP. All documentation hereto attached. **ACTION TAKEN:** Madam Commissioner DuCharme makes a motion to approve the Memorandum of Understanding between Torrance County and Claunch-Pinto Soil & Water Conservation District. Commissioner Frost seconds the motion. No further discussion. The Commissioners vote; All in favor, none opposed. **MOTION CARRIED.**

6. Resolution 2015-33 Acknowledging Acceptance of the Wildfire Protection Plan Grant- Javier Sanchez, Emergency Manager Mr. Sanchez speaks. This item is related to the previous item. At a previous meeting, the Commission accepted the Sub-Grant Agreement for the CWPP Revision. Mr. Sanchez submitted the minutes of the meeting to the Association of Counties as proof of acceptance. However, it was clarified that the agreement must be accepted by signed resolution. All documentation hereto attached. **ACTION TAKEN:** Madam Commissioner DuCharme makes a motion to approve Resolution 2015-33 Acknowledging Acceptance of the Wildfire Protection Plan Grant. Commissioner Frost seconds the motion. No further discussion. The Commissioners vote; All in favor, none opposed. **MOTION CARRIED.**

7. Grant Agreement FY16 E-911 Reflecting the State Board of Finance Approval of Funding for FY2016- Ben Daugherty, Dispatch Mr. Daugherty speaks. Today, he is asking for approval of the FY16 Grant monies from the State of New Mexico for the 911 system. This includes the money spent for the phone system upgrade that was mentioned in the Department update. The agreement states that, "on June 24, 2015, the State Board of Finance awarded the Grantee \$99,200.00 and previously awarded the Grantee \$384,092, for a total of \$483,292.00 for enhanced 911 services and equipment." All documentation hereto attached. **ACTION TAKEN:** Commissioner Frost makes a motion to approve Grant Agreement FY16 E-911 Reflecting the State Board of Finance Approval of Funding for FY2016. Madam Commissioner DuCharme seconds the motion. No further discussion. The Commissioners vote; All in favor, none opposed. **MOTION CARRIED.**

8. Resolution 2015-034 County Arterial Program Project Number (CAP-5-16(472)) - Leonard Lujan & Martin Gutierrez, Road Foreman Ms. Trish Chavez presents this item. All documentation hereto attached. **ACTION TAKEN:** Commissioner Frost makes a motion approve Resolution 2015-034 County Arterial Program Project Number (CAP-5-16(472)). Chairman Candelaria seconds the motion. Ms. Chavez states that these are resolution for the Road Department's '15-'16 State contracts. These are adjusted amounts for their new projects. Madam Commissioner DuCharme asks about the adjusted amounts. Ms. Chavez clarifies that every year, the Road Department submits fund requests for their State projects. The State reviews these requests and disburses funds; the actual disbursement often differs from the requested amount. The Commission approves by resolution these actual fund amounts. The Road Department is not asking for more money, just approval of the actual disbursement amounts. No further discussion. The Commission votes; Two in favor, Madam Commissioner DuCharme abstains. **MOTION CARRIED**

9. Resolution 2015-035 School Bus Routes Project Number SB-7808(105)16- Leonard Lujan & Martin Gutierrez, Road Foreman Ms. Trish Chavez presents this item. All documentation hereto attached. **ACTION TAKEN:** Commissioner Frost makes a motion approve Resolution 2015-035 School Bus Routes Project Number SB-7808(105)16. Chairman Candelaria seconds the motion. No further discussion. The Commission votes; All in favor, none opposed. **MOTION CARRIED**

10. Resolution 2015-036 Cooperative Program Project Number SP-5-15(186) – Leonard Lujan & Martin Gutierrez, Road Foreman Ms. Trish Chavez presents this item. All documentation hereto attached. **ACTION TAKEN:** Commissioner Frost makes a motion to approve Resolution 2015-036 Cooperative Program Project Number SP-5-15(186). Chairman Candelaria seconds the motion. No further discussion. The Commissioners vote; All in favor, none opposed. **MOTION CARRIED.**

***Commission Matters:**

11. Estancia Basin Water Planning Committee Interview & Appointment Ms. Annette Ortiz speaks. We have not had any one submit a letter of interest for this position. Chairman Candelaria comments that he does have a candidate in mind and will try to contact that person this week. The Commission will table this item. All documentation hereto attached. **ACTION TAKEN:** Chairman Candelaria makes a motion to table this item. Madam Commissioner DuCharme seconds the motion. No further discussion. The Commissioners vote. All in favor, none opposed. **ITEM TABLED.**

12. Cooperative Service Agreement between Torrance County and US Dept. of Agriculture for Wildlife Services Ms. Ortiz speaks. This is the agreement that the County has with the USDA for the Wildlife Services that they provide to property owners/ranchers, businesses, private citizens, etc. throughout the County. The services they provide are very important, some of which include resolving wildlife damage problems and conducting predator control activities. All documentation hereto attached. **ACTION TAKEN:** Madam Commissioner DuCharme makes a motion to approve the Cooperative Service Agreement between Torrance County and US Dept. of Agriculture for Wildlife Services. Commissioner Frost seconds the motion. Commissioner Frost asks about the amount of the agreement. The total amount is \$29,500.00. No further discussion. The Commissioners vote. All in favor none opposed. **MOTION CARRIED.**

13. Precinct 7 Polling Place Relocation- Linda Jaramillo, County Clerk Ms. Jaramillo speaks. She is here today to inform the Commission and the public that one of the County polling places will be relocated. The polling place for Precinct 7 will be moving from the KXNM Radio Station to the McIntosh Senior Center. The Radio Station is a place of business and it is difficult to schedule delivery and pickup of voting machines and conduct voting without disturbing their day to day activities. It is in the best interest of the voters to move this polling place to the McIntosh Senior Center. The center will now be the polling place for both Precincts 7 and 14. The Center is large enough to accommodate our voters from both precincts, is handicap accessible, etc. There will be announcements of this change on our local radio station and signage will also be used to make voters aware of this change. This item is for information only as this move does not require Commission approval. Madam Commissioner DuCharme states that she has heard concerns from the senior citizens at this center about the increased amount of electricity and cooling that will be used on election days. Ms. Annette Ortiz, Deputy County Manager, states that the seniors pay the utilities for this County building, but pay no rent for its use. After some discussion the Commission decides to discuss the details of the electricity and cooling use at a later date. All documentation hereto attached. **NO ACTION, INFORMATION ONLY.**

14. Advertising the Opening of the P&Z Board Member Position Madam Commissioner DuCharme speaks. She requested this item be put on the agenda. She asks Mr. Guetschow from P&Z to assist her in presenting this item. Mr. Guetschow replies that he is not aware of any open positions on the P&Z Board. The opening they had was for an alternate position, which was filled by Ms. Gayle Langell from District 1. Mr. Bill Larson from District 2 was up for his second term and, as was reported to the Commission at the May 27 Regular Commission meeting, submitted a letter of interest to continue on the Board. Madam Commissioner DuCharme states that she wants to exercise her right to choose a representative for the P&Z Board from her Commission District- District 2. Mr. Guetschow replies that Madam Commissioner DuCharme does not have a right as an individual Commissioner to choose; the Commissioner as a body has the authority to dismiss someone from the Board or change the Board. Madam Commissioner DuCharme asks why Mr. Larson was allowed to begin his second term without a vote from the Commission, discussion by the Commission, or consideration of other possible candidates. She states that Mr. Larson being automatically reappointed to this Board is unfair. Mr. Guetschow replies that all Mr. Larson had to do to continue in his position after his first term was submit a letter of interest. When Mr. Larson terms out, a new representative will go through

the selection process with the Commission. Madam Commissioner DuCharme believes that when Mr. Larson's first term ended, he should have had to resubmit a letter of interest and be considered along with any other interested candidates. Mr. Guetschow reiterates that he informed the Commission that Mr. Larson would be continuing on the Board and that his second term began at the beginning of this fiscal year. After some discussion Madam Commissioner DuCharme makes a motion. **ACTION TAKEN:** Madam Commissioner DuCharme makes a motion to remove Mr. Larson from his position on the P&Z Board and open this position for residents of District 2 to apply. There is no second. **MOTION DIES.**

15. Request Cattle guard Cleaning- Anthony Sanchez Ms. Ortiz speaks. She spoke with Mr. Sanchez on the phone yesterday. He informed her that the Road Department crew has cleaned the cattle guards and he no longer needs to discuss this with the Commission. **NO ACTION.**

Public Requests: At the Discretion of the Commission Chair. For Information Only (**No Action Can Be Taken**). Comments are limited to five (5) minutes per person on any subject.

Michael Godey, resident, speaks. He appreciates the Public Hearing the Commission held to discuss the proposed Road Policy. It was conducted very fairly, allowing all ample time to speak and share their opinions and ideas. The meeting to discuss the pipeline was conducted very well too. With respect to the P&Z Board member position, Mr. Godey believes that in the future when a member completes his first term, he should have to reapply and be considered along with any other interested candidates. The process needs to be clarified.

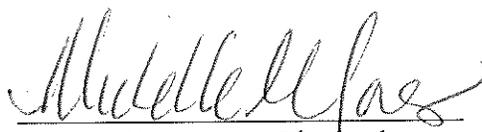

Brent Myrick, resident, speaks. A few months ago, he came before the Commission and informed them that the Moriarty-Edgewood School District Athletic Director and Athletic Trainer positions were being terminated. At that time, he asked for their help with trying to keep these positions. He asks Commissioner Frost and Chairman Candelaria if they have done anything to help. They have not. Mr. Myrick thanks Madam Commissioner DuCharme for her efforts to get him in touch with State Representatives that can possibly help.

Hank VanEs, resident, speaks. He is requesting information with respect to the proposed Road Policy. When the Commission accepts a subdivision, it accepts the roads in that subdivision through the easement definition. As such, those roads become County roads. He is aware that these roads are not County maintained roads unless they are accepted for maintenance. He knows that the County has a gravel pit. He would like to be able to use County gravel on County roads that are not being maintained within subdivisions. He would be willing to pick the gravel up and put it down. At least this way we can get some improvement on these roads.

***Adjourn**

ACTION TAKEN: Commissioner Frost makes a motion to adjourn the July 22, 2015 Commission Meeting. Madam Commissioner DuCharme seconds the motion. No further discussion. The Commissioners vote. All in favor none opposed.
MOTION CARRIED. Meeting adjourned at 10:46 am

Chairman Candelaria

Michelle Jones, Clerical
