Upon confirmation of no outside appearance or other off-site evidence of the conduct of a home occupation, the Zoning Director may find such a home occupation as a permissive use in any zone district. The Zoning Director shall inform the property owner in writing of such a finding and the date of such a finding. However, any home occupation that exhibits an outside appearance when viewed from a street or an adjoining property, with the exception of a sign as regulated by this Ordinance, or produces an off-site impact on surrounding lands shall require a Conditional Use Permit subject to special requirements provided by this Ordinance. Additionally, any home occupation found to be permissive that later exhibits an outside appearance when viewed from a street or an adjoining property, with the exception of a sign as regulated by this Ordinance, or produces an off-site impact on surrounding lands shall require a Conditional Use Permit subject to special requirements provided by this Ordinance.

SECTION 14.0 VILLAGE COMMUNITY PRESERVATION DISTRICT (VCP).

[REV: Ord. No. 2001-2, 3/14/01]

A. Intent. This zone district preserves residential clusters in established unincorporated communities, and is intended to protect development of historic significance. This district allows residential development with necessary commercial, business, and other non-residential activities which serve local residents. The district regulations permit future development consistent with the existing character of the community, subject to health and safety standards.

B. Permissive and Conditional Uses. No building, structure, or land shall be used or occupied except as indicated and for the purposes permitted in this zone district. Uses permitted by right and uses allowed upon obtaining a conditional use permit are described in the Torrance County Zoning Table of Land Uses, which is attached as Appendix 1.

[REV: Ord. No. 95-5, 6/10/95; Ord. No. 97-8, 6/27/97; Ord. No. 2001-2, 3/14/01; Ord. No. 20__-__, XX/XX/XX]

C. District Standards: The following standards apply to all land uses within this zone district:

1. Minimum lot size for dwelling units served by individual private wells shall be two and one-half net acres. Minimum lot size for dwelling units served by a centralized water system shall be as determined by the New Mexico Environment Department in order to comply with Liquid Waste Disposal Regulations. For purposes of determining minimum lot size, the calculation of acreage shall include common easements and private roadways for ingress and egress for adjoining lots. A shared domestic well permitted under Section 72-12-1 NMSA 1978 does not qualify as a centralized water system.”

[REV: Ord. No. 2001-2, 3/14/01; Ord. No. 2008-003, 4/23/08]

2. All structures shall be located with a front setback of no less than 15 feet; and

SECTION 14.1 RURAL COMMUNITY PRESERVATION DISTRICT (RCP).

[REV: Ord. No. 2001-2, 3/14/01]

A. Intent. This zone protects and preserves areas within the County which are characterized by their limited access, minimal development, limitations on water resources, natural beauty, fragile environment and native wildlife populations. Dispersed, very low density residential development and low intensity agricultural activities are allowed. Other agriculturally related activities may be allowed. Commercial uses will not be allowed except on a case by case basis in which the primary concern of the Zoning Board will be to minimize the environmental impact on the area. Development may be considered within a 1 mile buffer zone where the "RCP" Zone joins an incorporated municipality and density or minimum lot size or use within the buffer area may be dictated by the standards set for the adjoining area.

[REV: Ord. No. 20__-__, XX/XX/XX]

B. Permissive and Conditional Uses. No building, structure, or land shall be used or occupied except as indicated and for the purposes permitted in this zone district. Uses permitted by right and uses allowed upon obtaining a conditional use permit are described in the Torrance County Zoning Table of Land Uses, which is attached as Appendix 1.

[REV: Ord. No. 20__-__, XX/XX/XX]

C. District Standards. The following standards apply to all land use within this zone district:

1. Minimum parcel size will be forty acres or 1/16 section, whichever is the smaller of the two, with the following exceptions:

a. Parcels smaller than the minimum parcel size which existed upon the effective date of these standards shall be allowed to remain and may be transferred at a future date by sale, inheritance or other legal means provided that such parcels are not divided into smaller parcels except as allowed by Section 14.1.C.1.b. regarding collateral for a mortgage,

b. Lending institutions may accept as collateral for a mortgage of a home on the property in question, any portion of that property provided it is not less than 5 acres in size with the understanding and knowledge that they can take legal title to and resell such smaller portion of land on which the mortgaged home exists in the event the mortgagee defaults on the mortgage. The lending institution is otherwise bound by the minimum parcel size standards provided herein. Once the mortgage is released, the land division shall automatically be vacated. A statement reflecting the requirement of such automatic vacation shall appear on the plat showing the land division.

2. In the event contiguous parcels within the zone are assembled, any of which may be less than the smaller of forty acres or 1/16 section, no future land division of that assembled parcel will be allowed, except as noted in paragraph D.1.b. & c. supra, if any portion of the land division will result in a parcel of less than forty acres or 1/16 section. It is the intent of these standards to restrict parcel size within this zone to a minimum of forty acres or 1/16 section where possible to reassemble smaller existing parcels into larger parcels more closely approaching the forty acre, 1/16 section minimum.
3. This change will not affect any subdivision plans which have been submitted to the Zoning Board prior to the effective date of this section.
[REV: Ord. No. 20__-__, XX/XX/XX]
4. A proposed land use must comply with Section 23, pertaining to water usage.
5. Commercial agricultural and horticultural operations are prohibited within the bounds of Types 1 & 2 subdivisions as defined in Article 2 of the Torrance County Subdivision Regulations. In Types 3, 4, & 5 subdivisions a Conditional Use Permit may be required.
6. Commercial horticultural operations involved with the cultivation and harvesting of medical cannabis are prohibited within the bounds of Types 1, 2, & 3 subdivisions as defined in Article 2 of the Torrance County Subdivision Regulations. In Types 4 & 5 subdivisions a Conditional Use Permit may be required, however the operation shall be centered on a parcel of 100 acres.
