

State of New Mexico
County of Torrance
Resolution 2002-09

RESOLUTION ESTABLISHING FEES FOR INFORMATION DISTRIBUTED
UNDER THE FREEDOM OF INFORMATION ACT, COPY SERVICES, NOTARY
SERVICES, AND MAP PRODUCTS

Whereas, Torrance County receives formal requests for information under the Freedom of Information Act; and

Whereas, Torrance County receives requests from members of the public and other agencies for copies, facsimile transmissions, notarization of documents, and other services; and

Whereas, Torrance County has several departments involved in map making, copying, and/or distribution such as; Property Identification Maps," "Road Maps," "Rural Addressing Maps," and other "Miscellaneous Maps," by the County Assessor's Office, County Clerks Office, and the Rural Addressing Staff.

Whereas, there are certain costs involved to research, compile, create, copy, maintain, reproduce, mail, equipment depreciation, and labor that is above and beyond the normal operating budget of the County; and

Whereas, the Torrance County Board of Commissioners has the authority and desire to pass these costs to those agencies, companies, organizations, and persons requesting said services from Torrance County; and

Now, Therefore, be it Resolved that the following fees be and hereby are established for the corresponding services as are set out hereafter, with said fees to be applicable to all offices of Torrance County.
