Re: Mileage for County-Designated Roadways for Maintenance

Dear Mrs. Valdez,

Pursuant to Section 67-3-28.3 NMSA 1978, the estimated mileage for all Torrance County-designated roadways for maintenance for gravel roads is 834.180 miles, and for chip seal roads is 101.436 miles, for an estimated total of 935.616 miles.

Enclosed is a data disk and hard copy of the updated list of each county-designated roadway for maintenance listed by road name and number, route description with the beginning and ending termini, total length of each roadway, surface type, an estimated total mileage for the entire submittal, and a county road map. Any changes that have occurred on this map are on the enclosed data disk and hard copy.

The Road Department, as of January 1, 2004, began its own Global Positioning System (GPS) on county-maintained roadways. This project is ongoing and is continually being updated. The GPS records done by the county Rural Addressing Department are for the 911 systems.

If any further documentation is necessary, please contact Leonard Lujan at (505) 544-4667 in the Torrance County Road Department Office.

Respectfully,

Ryan Schwebach  
Commission Chair

Re: April 1<sup>st</sup> Submission of the 2025 Annual Certified County Maintained Mileage Report

Dear Ms. Barela:

This is notification that the **2025 Annual Certified County Maintained Mileage Report is due on April 1<sup>st</sup>, 2025**. Pursuant to New Mexico Statutes 67-3-28.3, the Board of County Commissioners of each county shall certify and submit an Annual Certified County Maintained Mileage Report to the Secretary of the New Mexico Department of Transportation (NMDOT), on or before April 1<sup>st</sup> of each year.

By July 1<sup>st</sup> of each year, representatives for the Cabinet Secretary of the NMDOT shall verify the submittal of each county and revise, if necessary, the total mileage of public roads maintained by each county. The mileage acknowledged by these representatives, shall be the official mileage of the public roads maintained by each county and will be reported to the New Mexico State Treasurer's Office. After August 1<sup>st</sup>, distribution of funding to each county for road maintenance purposes shall be made in accordance with the aforementioned NMSA section.

Pursuant to New Mexico Statutes 67-3-28.3, any county not complying with the required certified submittal by April 1<sup>st</sup> of each year, will have their mileage estimated and then reduced by one-third each month for that fiscal year, by the Secretary of the NMDOT. The amount of mileage deducted from the counties not in compliance, shall be equally distributed between all counties in compliance, by the Secretary of the NMDOT.

Please submit a package to include an Administrative Resolution and either a hard copy or a digital spreadsheet or document that was used to generate a Route Listing and County Map(s).
